

"...to foster advancement in the Water Works Industry..."

The only Orange County Association dedicated to the local water community.

If You're Involved in the Orange County Water Industry, You Should be a Member of the **ORANGE COUNTY WATER ASSOCIATION**

As an Association Member, You Receive these Valuable Benefits...

Knowledge & Networking Opportunities

- ◆ **Monthly Meetings:** Reduced fees for our monthly **Industry Insight** meetings, informative luncheon talks at which members have an opportunity to hear reports on new and innovative projects, and meet and mingle with other local water industry professionals.
- ◆ **Expand Your Contacts:** Members gain access to OCWA's vast member directory.

Career Advancement

- ◆ **Board Positions:** Earn a position on the Board to gain leadership and help guide the Association.
- ◆ **Committee Positions:** As a member, you're invited to join one of the Association's various committees, or volunteer to help with an event. It's a fun way to contribute, meet people, and get involved.
- ◆ **Increased Visibility:** Gain opportunities to present your agency or company's projects and programs to our local network.

Timely Communications

- ◆ **On-Going Updates:** Receive regular notices on jobs, projects, local water news, and regulatory and legislative affairs.
- ◆ **FREE Job Listings:** Members and their organization can post unlimited job listings to the Association website. Listings are promoted with periodic e-blasts sent to our 1,500+ contacts.

Quality Social Events

- ◆ **Annual Holiday Party:** Our annual extravaganza brings together **over 200 members and guests** for a night of fun and socializing. Opportunity drawings for prizes are held throughout the evening.
- ◆ **Golf Tournament:** This member-involved event annually draws **over 100 water professionals**. With a traditional, non-scrabble format, the contest features breakfast, lunch, and an abundance of prizes, all at a local, first-rate country club.

You'll also Contribute to Industry Education & Training...

- ◆ **SafetyFest:** The Association hosts this annual State-approved training session to help educate Operators on the latest safety issues. Participants earn continuing education units (CEUs).
- ◆ **Operator Expo:** Our most popular Operator Training Event, this End-of-Summer celebration features some two dozen vendor exhibits, State-certified training sessions offering CEUs, and a Pipe Tapping Contest pitting some of California's premiere teams.

Membership in the **Orange County Water Association** can benefit both your career and your company.

With an all-inclusive mission, OCWA appeals to every sector of the water community. Whether your interest lies in drinking water or wastewater, recycled water or stormwater; whether you work for a corporation or agency, are an engineer or consultant, OCWA offers opportunities to promote your firm and its activities, broaden your knowledge, expand your network, and increase your presence in the community.

Choose to become a member today. It's a commitment to your industry; it's an investment in yourself.
